

Migration Pathway for Overseas Qualified Teachers (Primary & Secondary Education)

If you completed a Bachelor of Primary Education or Bachelor of Secondary Education overseas, you may be eligible to apply for a skills assessment through the Australian Institute for Teaching and School Leadership (AITSL). A positive AITSL skills assessment can help you apply for Australian skilled migration visas such as the Skilled Independent Visa (Subclass 189), Skilled Nominated Visa (Subclass 190), or Skilled Work Regional Visa (Subclass 491).

Important: A skills assessment does not grant permanent residency by itself. It is one of the key requirements for skilled migration.

Step 1: Meet the Qualification Requirements

Generally, you should have:

- A 4-year Bachelor of Primary Education or Bachelor of Secondary Education (or an equivalent Initial Teacher Education qualification)
- A qualification that includes supervised teaching practice

Three Pathways to Obtain an AITSL Skills Assessment

Pathway	Requirements	Next Step
Option 1 – Academic IELTS Pathway	• 4-year teaching qualification (Bachelor of Primary or Secondary Education or equivalent) • Academic IELTS taken within the last 24 months • Minimum scores on one IELTS Test Report Form (TRF): ✓ Reading – 7.0 ✓ Writing – 7.0 ✓ Speaking – 8.0 ✓ Listening – 8.0 • IELTS One Skill Retake is accepted if AITSL requirements are met.	Submit your AITSL Skills Assessment application.
Option 2 – ISLPR and Australian Teacher Registration Pathway	• ISLPR Level 4 in all required language skills • Obtain teacher registration in an Australian state or territory (where accepted) • Meet the registration requirements of the relevant teacher registration authority	Once registered, apply for an AITSL Skills Assessment.
Option 3 – NSW Teacher Registration (NESA) Pathway	• Bachelor of Primary or Secondary Education • Minimum 45 days of supervised teaching practice • Written employment reference(s) (where required) • Meet the registration requirements of the NSW Education Standards Authority (NESA)	Obtain NESA teacher registration, then apply for an AITSL Skills Assessment.

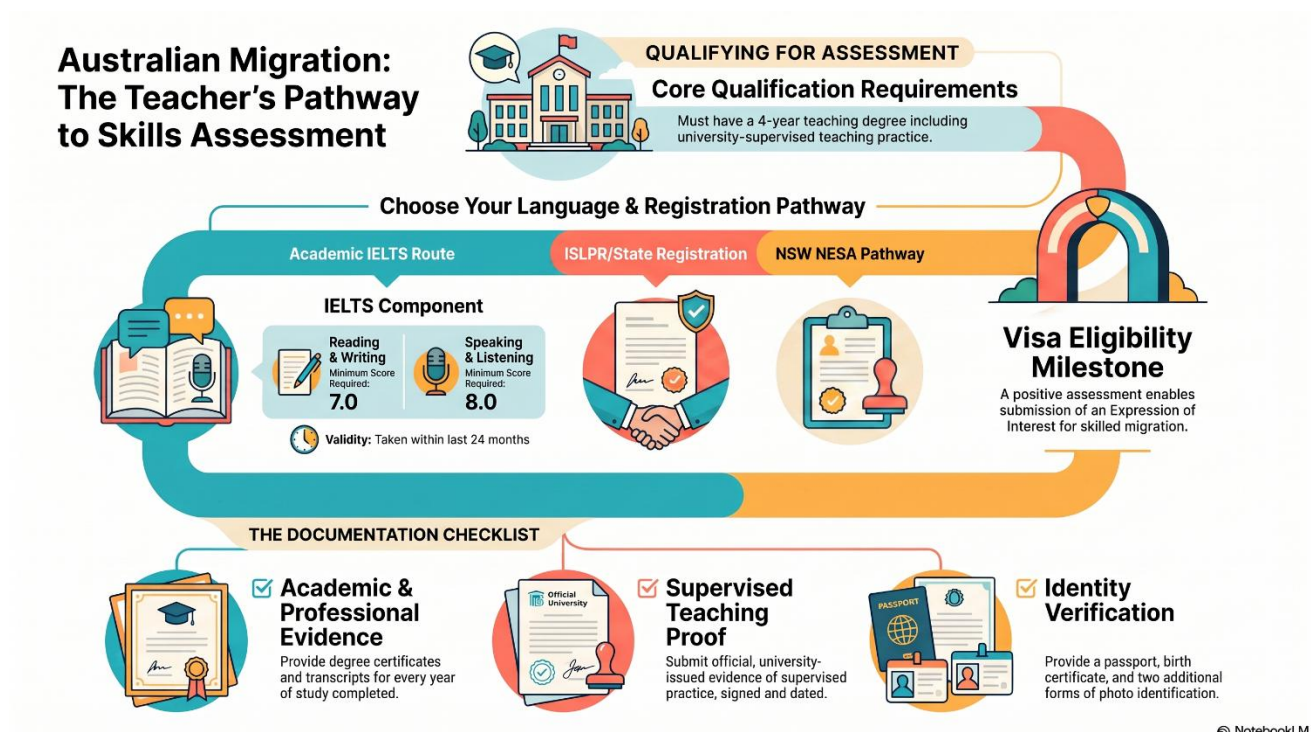

After Receiving a Positive AITSL Skills Assessment

Once you receive a positive skills assessment, you may be able to submit an Expression of Interest (EOI) for skilled migration through the Australian Government.

Possible visa options include:

- ✓ Skilled Independent Visa (Subclass 189)
- ✓ Skilled Nominated Visa (Subclass 190)
- ✓ Skilled Work Regional (Provisional) Visa (Subclass 491)

Meeting the skills assessment requirement does not guarantee a visa invitation. You must also satisfy the points test and all visa eligibility requirement
